DEVELOPING FINE GARDENS SINCE 1982

ESTABLISHED 1982

GOthic WINDOWS SET IN A SANDSTONE WALL WITH LIMESTONE PAVING

Since 1982, Garden Innovations have been offering a professional quality garden design and landscaping service throughout the whole of Ireland, Scotland, England, Wales and various projects throughout Europe.

With over 30 years experience we pride ourselves on our referrals.

In the words of John Ruskin - "The common law of business dictates, one cannot pay a little and get a lot".

Whatever your requirements, Garden Innovations will strive to achieve the very best.

We offer a full garden consultation & design service.

Planting & soft landscaping, brick and natural stone paving. All our work comes with a full insurance and guarantee.

Garden Innovations are proud to be approved pavers for Tobermore Brick, approved Triton Stone installers for all Ireland and Wilsons Yard preferred installers for reclaimed architectural salvage and natural stone paving.

COBBLED DRIVEWAY  
THRESHOLD

With over three decades of experience, we at Garden Innovations have tackled every type of landscaping project, from a few days to complete to large scale projects that take months to bring to fruition.

BESPOKE PLANTING SCHEMES

## PLANTING

Trees and plants make any garden a place of beauty.

That's why we pride ourselves on advising on and selecting the best arrangement for your garden.

From low maintenance to year round colour, we will design and create the garden you desire.

Raised borders, deep shrubberies and winter blooms all go together to create the perfect garden.

There are so many factors when designing a planting scheme, from aesthetic to choosing the perfect plants to suit your unique environment all coming together to ensure the health of your plants for the long term.

With our advice we're confident you will find the perfect mix for you and your family.
